

Bada Beans Product Request

Dear Store Manager:

I shop in your store for the majority of my groceries. I am unable to locate Bada Beans coffee flavoring confections at your store. I am very interested in purchasing this item from your store on a regular basis. I am sure many other customers would enjoy these great new products.

Would you please stock this item for your customers? Thank you for the consideration. I look forward to finding Bada Beans products hanging from your coffee aisle shelves.

Sincerely,
